STUFF WE WANT TO TELL YOU

If you want your burger cooked pink please ask otherwise it will come cooked to 70°C as advised by Environmental Health. We pretty much make everything from scratch here: pastrami, Frankfurters, burgers and charcuterie. Many people will talk about secret ingredients etc.... We are not many people so here is the secret to our award winning burger. It contains: meat, salt and pepper. That's all she wrote, no magic just the best beef we can get and 100% chuck steak. Nearly all our produce is available in our shop to take home and cook yourself. We can also cater for parties and events at your home. Just ask.

If you are unhappy with anything please tell us and give us a chance to put it right for you. We care about that stuff and we want your feedback. Also tell other people if you think we are amazing. We are on Facebook and Trip Advisor.

ALLERGEN INFO AND GLUTEN FREE:

If you have an allergy to any food please let the staff know and we can tell you what is in what you are eating. If you want a gluten free option we stock GF bread and nearly all our burgers and sausages are gluten free but please ask one of the team. We keep one fryer GF so you can have fries.
